

ADHA 2019 Press Badge Request

ADHA's 2019 Annual Conference is closed to the public. Those requesting media registration must be currently employed by an approved publication or news organization. Press badges are provided to editors, writers, publishers, and editorial employees of official publications. All final press credentialing decisions are at the discretion of ADHA staff. Registered media personnel must always wear their media badges throughout the conference.

- ADHA requires a company business card, which must show your name, title, company name, and one additional document from the list below:
- Police issued Press Card
- Current masthead, articles, or similar editorial page listing your name/title
- Letter on company stationery identifying you and your editorial position at a specific outlet
- Freelance writers, reporters or photographers must show a verifiable letter or assignment from a legitimate media outlet
